## LOCAL ENVIRONMENT

### Activities

**Bathing** – There are great conditions for bathing, both in the sea and in fresh water. Rosfjordstranden and Kvikstranden both have gradually sloping bottoms and are benign to children. You can also bath in several inlets near the town centre.

**Fishing** – The river Lygna are excellent for salmon and sea trout fishing.

**Boats** –The possibilities for boating are great in fiords of Lyngdal and the area around the municipality. There are ports for visitors in Korshamn and Agnefest. At Hausvik Maritime you are offered sea rafting for smaller and larger groups in addition to several other outdoor activities.

**Diving** – In Korshamn you find the southernmost diving centre of Norway. Here you can obtain air for diving and the opportunity to rent boats.

**Golf** – There are several golf courses within half an hour to drive from Lyngdal.

**Touring grounds** – Several nice touring grounds and marked tour ways. The walks have different terrain and different length. Maps can be bought at the tourist information.

**Cycling** – The conditions for bicycling are great in Lyngdal. At Lyngdalssletta there is a flat terrain and few hills., while the country roads have a more hilly terrain.

Winter activities – During the winter season several skiing and alpine centres may be reached within an hour.
